**Attachments:** Modes of action for Lymphoma 121114 draft 1.docx

Dear Jason and Bob,

## Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) Nothing else in the text has changed from the last version I sent you.

Jason, I know you are about to leave so I am looking for your comments by the end of the day on your last day here. Bob, I need your comments as well at that time if possible (by Monday the 15<sup>th</sup>). I will review the comments and amend as needed next week as well as starting a tight deadline on HBCD. Then the revised section will go to the toxpath workgroup for review.

Let me know if you need any of these references or have any other questions

Thanks! - I know we are all busy.

Jane Caldwell
